

Keep up with the Swing of the Real Estate Market with Comprehensive Property Transactions and Statistics.

COMP Reports are a valuation and market resource containing comprehensive information for all real property sales including detailed property characteristics, buyer and seller information in an easy to read and portable report delivered via email. State, county and town level reports are available in Connecticut, Massachusetts and Rhode Island.

Subscription Features:

- Twelve (12) monthly issues, plus a year-end compendium
- Report delivered in a PDF format for easy reference

COMP Reports provide specific market details required to form accurate opinions of value and are a “must have” for professionals assessing the ever-changing market conditions.

Bonus:

Subscribers of county and state level COMP Reports also receive Monthly TrendLines Market Reports!
